Dear Marie and Annie:

Here's the text for the Highways show for when you guys put the flyer together (you can also e-mail the following info. to groups who are interested in the show). Let me know if you notice anything missing or any errors. You can have Chil or Nic e-mail you and/or the graphics person the Lodestone logo if you don't have it. Also attached is the Highways logo I believe which we should also include on the flyer.

Thanks and I'll see you both tomorrow, Phil
